About Me

As a filmmaker and photographer, I focus on creating visual stories that balance creativity with technical precision. My experience ranges from documentary filmmaking and commercial productions to editorial photography, allowing me to adapt to different styles while maintaining a strong visual identity. I believe every project deserves imagery that communicates with clarity and purpose.

Experience

Boxzaracing (2026 – Present)
Automotive Photographer

Currently working as an Automotive Photographer at Boxzaracing, a Thai automotive and motorsport media outlet.

Photograph newly launched cars and motorcycles, as well as trending tuned and modified cars, for online editorial and social content.

Shoot motorsport photography for the Boxzaracing Motorsport Team, covering the team's racing activities.

beIN Sports (2026)
Director of Photography

Served as Director of Photography for "Off The Grid: Origins," a cinematic feature documentary following Thai FIA Formula 2 driver Tasanapol "Ten" Inthraphuvasak.

Led handheld cinematography throughout a full production day - covering in-car interviews, a press conference, and intimate home-based footage.

Captured an unfiltered, social-first visual identity for the talent across Bangkok and the European race calendar.

Gear Head Thailand (2025)
Camera, Lighting & Grip Intern

Completed a hands-on internship in the Camera, Lighting & Grip department at Gear Head Thailand, the country's leading film equipment rental house (est.1994).

Trained in on-set technical operations including camera body assembly, lighting rig setup, and dolly track/mini jib configuration.

Supported feature film, commercial, and international productions.

Experience

Apple (2023)
Director of Photography

Selected by Apple Thailand to serve as Director of Photography for Today at Apple : Bangkok Storyteller campaign by using a short film shot entirely on iPhone, produced in collaboration with Apple and the Bangkok Metropolitan Administration (BMA) to promote the city's tourist destinations and the art of mobile filmmaking. Captured the spirit of Bangkok through cinematic visual storytelling shot on Apple devices; the completed film was publicly screened as part of Krungthep Klang Plang (Bangkok Outdoor Cinema Festival).

Awards

SFT : FLOUR FUN FILM
Short Commercial Film Competition
Second Runner-up (2026)

A creative advertising competition organized by Siam Flour Group, where participants produced short commercial films to promote products across the company's brands.

MMAD EMERGE 2025
Selected for Photography Exhibition (2025)

My work was selected as one of 20 finalists from over 200 submissions and exhibited at MMAD from 20 December 2025 to 22 February 2026. The exhibited street photograph captures the beauty of everyday life through my perspective as a photographer, transforming ordinary moments into meaningful visual stories.

MODJAM FILM FESTIVAL
Selected and screened (2025)

The film explored the relationship between traditional beliefs and the air pollution crisis in Thailand, using narrative storytelling to reflect on the social and environmental challenges faced by local communities.

CHIANG MAI FANTASTIC FILM LAB
Selected for doing short film (2024)

Selected to participate in the Chiang Mai Film Festival short film production program in Chiang Mai, where my team received an Honorable Mention Award.
